

19 Henderson Road Bexley NSW

3  2  2 

This original home sits on a level 696.7sqm block with a wide street frontage of 15.24m, and is now on the market for the first time in over 18 years. It represents a premium prospect offering future potential to redevelop STCA. Positioned directly opposite Bexley Park this impressive block offers lifestyle and convenience with easy access to all conveniences including schools, bus transport and Hurstville's shopping and amenities. This opportunity is not to be missed as blocks in this area with this redevelopment potential rarely become available.

- Level 696.7sqm block with 15.24m frontage
- Currently occupied by 3 bedroom home
- Prime location, close proximity to schools, cafes and other amenities
- Huge redevelopment potential (STCA)
