Lifestyle - Beautifully revived and redesigned, this classic Californian bungalow is now a stylish family sanctuary brimming with Art Deco details and quality contemporary updates. Its generous 588sqm block has direct rear access to a serene community green space and is just a stroll to Connells Point Primary, Hurstville buses and South Hurstville shops. While ready to enjoy right away it offers superb potential for a second level that will capture elevated water views (STCA).

Accommodation - The perfect rest place, the large master suite includes a walk-in robe and two more bedrooms have built-ins. A fourth bedroom is highly flexible and will serve well for extra living/media space. Separate living and dining zones incorporate a fully renovated gas kitchen with
